

**ADDRESS OF HIS HOLINESS POPE FRANCIS  
TO MEMBERS OF THE GVM CARE & RESEARCH FOUNDATION**

Clementine Hall  
Saturday, 1 February 2020

[Link](#)

[...] From this perspective, what the Villa Maria Group has done so far to meet the needs of patients and their families, who are sometimes forced to migrate to specialized centres far from their own home, is important. The commitment to broadening the range of action with the acquisition or creation of new facilities and the expansion of infrastructure, shows the will to ensure the necessary equipment and comfort for the sick and their recovery. [...]
